

# FAMILY PRACTICE PHYSICIAN w/ OB optional

## FAMILY PRACTICE PHYSICIAN W/OB

**Location:** Madison, Wisconsin

**Job Posting Title:** Physician

**WILDWOOD  
FAMILY CLINIC, S.C.**

"HEALTHCARE FOR ALL AGES"

## JOB DESCRIPTION

Enjoy all that Madison has to offer while you practice medicine at a one of the most dynamic practices in the area. The WILDWOOD FAMILY CLINIC, S.C., an independent, physician owned, practice is looking for a BE/BC Family Practice physician with a strong interest in providing full spectrum primary care and possibly obstetrics. The clinic is affiliated with two state of the art hospitals with 24 hour high risk OB backup. As a physician-owned and physician-led practice, Wildwood gives physicians a decision-making voice that is hard to find in today's corporate health care world. For more than 36 years, Wildwood has provided patients of all ages with unsurpassed patient care while allowing each physician the flexibility to arrange their schedule to allow time to enjoy a personal life. We offer a competitive compensation and benefit package. After two years, this individual will be considered for partnership status.

## ABOUT US

Wildwood is an Independent, Physician-owned clinic founded in 1978. We are a group of providers centered on lasting, caring relationships with patients and their families. We provide comprehensive care during all the phases of life – from birth, infancy and childhood, through adolescence, to adult life and the changes it can bring.

Our staff is committed to providing prompt and personalized care. We approach healthcare not simply as the treatment of a particular illness, but with a focus on prevention, health education and the well-being of the family as a whole.

**Our priority? To listen to your concerns, answers your questions and respect your preferences.**

We provide comprehensive physical exams, obstetrical and pediatric care, sports physicals, immunizations, minor surgical procedures, routine screenings and patient education, with the added convenience of an in-house lab, physical therapy, and imaging services at both locations.

**Interested Individuals should submit their CV to:**
