

PHYSICAL MEDICINE AND REHABILITATION

PM&R physicians evaluate and treat patients with short- or long-term physical and/or cognitive impairments and disabilities that result from musculoskeletal conditions (neck or back pain, or sports or work injuries), or other medical conditions. Their goal is to decrease pain and enhance performance without surgery.

Wildwood is excited to now offer this specialty with the addition of...

Dr. Alexandra Ilkevitch, MD

Physical Medicine and Rehabilitation, Integrative Medicine

As an integrative physical medicine and rehabilitation physician, Dr. Ilkevitch is passionate about helping patients optimize their musculoskeletal and overall health through a variety of traditional and alternative treatment options. In her practice, she emphasizes a whole-person approach and lifestyle interventions including regular movement, balanced nutrition, and stress reduction.

Please join us as we welcome Dr. Ilkevitch, MD to the Wildwood family....
